RE: authoring a submission in support of the call for an Aboriginal and Torres Strait Islander Voice enshrined in the Australian Constitution, and Financial support of \$13,000 for the From the Heart campaign

Dear Archbishop Aspinall and Mr Reid,

Thank you for the ongoing support and generous donation to the From the Heart campaign, received on 5 October 2022.

We would like to express our gratitude for the leadership shown by yourselves and the wider Anglican Church of Southern Queensland, especially the Reconciliation Action Plan Working Group chaired by Uncle Canon Bruce Boase, in supporting the From the Heart campaign.

The Anglican Church Southern Queensland is the first Church nationally to donate to and officially partner with us. Thank you for being trailblazers in the Reconciliation space.

The generous donation will enable greater education, awareness, and engagement with targeted groups, as well as significantly contributing to the campaign's sustainability.

The Uluru Statement from the Heart was a gift to the nation from Aboriginal and Torres Strait Islander peoples, and is our mandate. The campaign for an enshrined Aboriginal and Torres Strait Islander Voice is therefore necessarily for the people, by the people.

It is fair, practical, and unifying.

Thank you again for supporting this system changing reform,

Nick
